

A large, red, stylized dragon sculpture with long necks and wings, positioned in front of a log cabin.

A log cabin structure made of horizontal logs, with a gabled roof and a small window.

A red wooden chest or box with white snowflake patterns on its sides.

A wooden wheel mounted on a metal stand, possibly a decorative element or a functional part of a machine.

A stork's nest on a tree, with two storks perched on it.

BOUTIK
KABUKU

A decorative border made of red-painted rocks surrounding the stone letters.
